

HDUTY-S Aluminium Professional Swingback Step

[Representative image of product]

Product Description

Ideal for all professional and commercial use. The TB Davies HDUTY-S Swingback Step Ladder replaces the Classic Class 1 Swingback Step. Our new and improved step ladder complies with EN131 Professional standards, so you can be assured that you are standing on a top-quality ladder product. The TB Davies HDUTY-S is a step ladder designed for hard work, day after day. They are manufactured using a heavy-duty aluminium box section with riveted 80mm deep treads, offering greater comfort on your feet. The heavy-duty locking stays keep your steps open securely and are easy to open and close. The back legs feature an extra-strength box section for maximum stability. They are complete with heavy-duty bracing on each leg—our best version yet of the Classic TB Davies Swingback Steps that will outlive the competition. With one of the broadest size ranges, from 4 to 10 treads, our TB Davies HDUTY-S Swingback Steps are available from our extensive customer network.

Features

- Comfortable 80mm treads
- Heavy duty all aluminium construction
- Hinged metal locking stays provide optimal stability
- All box section design with heavy-duty bracing
- Slip resistant feet provide a firm footing
